

## MARKETING SWEET · HOW TO CLOSE FORM · SESSION 25

# How to Close. The Checklist.

*Six-field deal breakdown. Fill it in before you come to the director to close. Slow is smooth, and smooth is fast.*

## HOW TO USE THIS FORM

When you've got a live deal and you need to come to the director to close it, fill this form out first. Six fields. Take your time. Write neatly.

### TIP — PRODUCT FIRST, THEN PRICE

*Always write the product name FIRST, then the price. We don't sell "\$500" — we sell "SEO Support, which is \$500/month." Same in writing, not just on the call.*

## WHAT'S INSIDE

### 01 Worked example

Phil's live deal from training. Use it as the model for how to fill the form.

### 02 Blank template

Print one per live deal. Fill it in before you ring the director.

# Worked example.

From the Thursday 4 June 2026 training. Green fields show how each box should be filled.

|           |                                                                                                           |                                                                                                                                                                               |
|-----------|-----------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>01</b> | <b>When do I want the deal closed by?</b><br><i>Today, this week, next Fri — be specific.</i>             | Today — Thursday 4 June 2026.                                                                                                                                                 |
| <b>02</b> | <b>What did I pitch?</b><br><i>Product name first, then price, then setup fee.</i>                        | SEO Support package + 1× Page Building, which is \$625/month + \$250 setup fee.                                                                                               |
| <b>03</b> | <b>Where does the client need to be to close?</b><br><i>Their target — their words, not your guess.</i>   | Client said she needs to be at \$500/month.                                                                                                                                   |
| <b>04</b> | <b>What did I end up offering? (off the menu)</b><br><i>Next standard package — not a discount.</i>       | SEO Support package on its own, which is \$500/month + \$250 setup fee.                                                                                                       |
| <b>05</b> | <b>Customer's reaction? What's holding them back?</b><br><i>Read what they actually said + did.</i>       | Much more relief on the lower price.<br>Main thing still holding her back: the \$250 setup fee.                                                                               |
| <b>06</b> | <b>Closing conditions (price + terms)</b><br><i>What you're asking the director to approve. Be exact.</i> | SEO Support at \$500/month — no discount applied.<br>1× SEO blog article at no cost (normally \$450).<br>Setup fee waived (\$250 saved).<br>Condition: must commit by Monday. |

## THE CLOSING LINE

**"Do you need more time to think about it — or are you ready to go?" Flat intonation. Then silence.**

# Blank form — print and fill.

*One per live deal. Fill in before you come to the director.*
